### MESSAGE:

Hi Ms. Tatum and good morning,

Following your advice I have made all necessary changes but again please check for us if we have provided you enough information or the information we provided in this form are as per your requirements.

In reference to your email regarding Hong Kong we have switched from Marianas Express Lines to MSA Logistics simply because MSA Logistics picks up cargo from Guam and has a direct route to Korea.

I welcome any response you may have and ask for your kind consideration in expediting the consent.

Thank you very much.

Best Regards,

Roberto S. Cruz  
General Manager
